ASSISTANCE BEYOND LIFE INSURANCE

Introducing **Renaissance Life Assist**, a collection of value-added, non-insurance services that offer assistance with many of life's challenges. Bundled with our life insurance, these services are a great way for employer groups to enhance their life insurance benefit. The **Renaissance Life Assist** services bundle provides expert assistance to employees and their families where they may be most vulnerable – whether they are traveling away from home, subjected to cyber-attacks to steal their identity, or grieving the loss of a loved one.

Travel Assistance

Assistance while away from home

Whether employees are traveling on business or pleasure, an unexpected illness, virus exposure, toothache, or lost baggage can ruin a trip. With travel assistance services, you have access to emergency transportation, travel support, personal and security assistance, and concierge services while traveling.

With a local presence in 200 countries and territories, and 35 24/7 assistance centers staffed with multilingual assistance coordinators, case managers, medical staff and security, travel assistance helps you obtain the care you need in case of an emergency while traveling. In the event of a life-threatening emergency, call local emergency authorities first for immediate assistance, then contact Generali Global Assistance (GGA).*
